

Can you help the big Fish find Jonah?

Instruction Sheet for Mazes

1. Print the maze on an inkjet printer.
2. Complete the maze, starting in the upper left corner.
3. There are 4 different mazes on the website - be sure to print them all!

HELPFUL HINTS

1. For use as a classroom activity, give each child a maze to do on their own. Then post a "master" maze nearby where the child can check their solution against the correct path (marked prominently).
